

## **Mentoring Programme Terms & Conditions**

The Club's mentoring support program does not represent or claim to be formal professional business advice, and as such the Club is not liable for any actions taken by any person being mentored.

Engagement with CBC Mentors is at the members' request and the Club expressly limits that engagement to discussion and feedback. Where professional opinion or advice is sought it will be referred or recommended to other providers by your CBC Mentor.

CBC Mentors is a member-to-member, voluntary support program, and there are no fees. In the event that there is a subsequent fee-based program agreed between Club members, this is deemed to be an agreement made outside of the auspices of the CBC Mentor Program.

CBC members who actively support this program are noted as a CBC Mentor on their individual profile listed on the Club's website. Contact may be made directly, or by inquiry to any CBC committee member.
